

• Veterinary Treatment

We help pay for veterinary treatment for those animals needing lifesaving surgery that the Centre's normal operating budget is unable to cover. Without our support these poor animals would not have a future.

Animals like Barry the mastiff, who was found being kicked by teenagers. Barry was 18 months old when he needed surgery to repair ligament damage in both his back legs. The Friends contributed £3,000 to his surgery; this allowed Barry to find his forever loving home.

• Equipment

The Friends also provide much needed equipment like toys to help entertain the animals during their stay at the Centre. We have also paid for computers and projectors so that the Centre can help educate local youth groups on animal welfare and train new staff.

How do we help?

• Facilities

We help fund the cost of improving, replacing and adding additional new facilities that the Centre could not do without.

So far we have funded the cost of building a new spacious rabbit unit and cattery isolation facility.

Refurbished existing off-lead exercise area, with an all-weather surface with drainage and lots of enrichment for the dogs to enjoy.

And our biggest project so far the building of two modern state of the art kennel blocks, isolation facilities and kennel utility area.

Who are we?

The aim of the Friends of South Godstone is to raise funds specifically to help support the running of the RSPCA South Godstone Animal Centre. Every penny we raise goes to help support South Godstone Animal Centre.

We are a small charity, but make a big difference. Our main source of income is from running a very popular Charity shop in Caterham. We also hold regular fundraising events throughout the year.

You too can help every animal at the Centre by becoming a Friend, making a donation, or volunteering. One of the most important ways that you can help is by becoming a Friend.

As a friend you'll receive a joining certificate and "Thank you" letter from the Centre Manager, receive regular updates on the Centre in our newsletters and be invited to our annual AGM and fundraising events. Membership cost just £12 a year.

As a Friend you'll literally be helping to save lives for just £1 a month.
