# Local animals need your help

The Friends of the RSPCA South Godstone Animal Centre is an independent charity set up to assist the animal centre to meet its aims to provide the best care and attention possible to all the animals temporarily housed there.

Over the years, the Centre has rehabilitated and successfully rehomed thousands of animals – mainly dogs and cats, but also many hundreds of rabbits, hamsters and a variety of other species too.

We also provide sanctuary for animals that have been removed from their owners by RSPCA Inspectors to prevent further cruelty or neglect. These animals have often been victims of abuse and require specialist attention to rebuild their trust of humans before new homes can be found for them.

ANDREW FORSYTH/RSPCA PHOTOLIBRARY

The Friends of the RSPCA South Godstone Animal Centre have been responsible for many improvements at the Centre – including building a much-needed extension to our cattery, providing an all-weather dog walking path, erecting a secure grassed exercise area, regularly supplying extra treats for all the animals such as chews, baskets and toys, and much more.

## A legacy or bequest

Will provide crucial funds to continue improvements and 'extras', which could otherwise not be provided without your generous support.

If you are making a Will, please remember that The Friends of the RSPCA South Godstone Animal Centre is a separately registered charity. So if you would like the animals at the centre to benefit, we would respectfully suggest that your legacy wording reads:

**I give devise and bequeath to The Friends of the RSPCA South Godstone Animal Centre (registered charity number 1110310) the sum of £xx or the whole (or share) of my residuary estate for its general charitable purposes. I declare that the Receipt of the Treasurer or other proper officer of the charity shall be sufficient discharge for the said legacy.**
